About ZAZZY CATS KITTY RESCUE

ZAZZY CATS KITTY RESCUE is a Non-Profit Public Benefit Charity Organization based in Long Beach, California. Our rescue was founded for the primary purpose of rescuing high risk cats, kittens, expectant and nursing queens from city and county shelters in the Los Angeles area. ZAZZY CATS rescues as many furry friends as we can, provides them with medical care, places them in loving foster homes until permanent adoption homes are found. We are an all-volunteer organization and rely solely on the support of public donations to provide care. www.zazzycats.org
